"Moving in the Supernatural..."

Dave's sermon last Sunday used the story of Moses in Exodus 4 and 33 to illustrate how to walk in the supernatural.

Among the points he made were the following:

- It's not about us – it's God's responsibility;
- We pray for healing – God performs;
- We facilitate the miracle;
- Moses' whole life was talking with and about God;
- He was with God the whole day;
- We can learn discernment;
- We need to speak out of God's prompting;
- Gifts are for benefitting other people;
- Gifts must be for God's glory;
- "Seek the presence not the power";
- Power comes with the presence.

Dave suggested the following truth: I hear - I forget;
I see – I remember: I do – I understand.

Please note that this sermon is available to download from our website.
